50/50 Raffle- Big thanks to Kevin and Claude for running the entire raffle once again this year. **It is still our biggest money maker for the association and was once again shouldered by Claude and Kevin.**

1st place winner- Dan Laroche
2nd place winner- Dick Georganis
3rd place winner- Don Davidson

The GPA member that sold the most tickets was a tie between M. Barber and R Brule
Both were awarded a \$50.00 check for the Laroche's for their efforts with the raffle ticket sales.

It was discussed about the lack of participation on behalf of the GPA members for selling tickets. The majority of the ticket sales are still from Kevin and Claude. Either people are going to step up and help plan out the 50/50 raffle for next year or there wont be a 50/50 raffle.

More group participation is needed on behalf of the association members.

Discussed other ways to raise money for the association:

- Putting together tables at town events- selling hot dogs, food, etc.
- Continue the 50/50 raffle
- Sell tee shirts/ GPA gear

It was motioned by M. Sullivan and 2nd by P. Sullivan to sponsor at least two small events and the 50/50 raffle. All in favor

J. Yaris and E. Sereno volunteered to do up logos for tee-shirts and submit them before the next meeting.
